Dear Parent / Guardians:

Kawartha Art Gallery is pleased to offer a summer arts program for kids, designed to cover a wide range of media to explore manners of expression in creating their own artwork. Students can develop a dialogue and find their own voice with any art medium and have fun during the process.

During Art camp week the students will:

- Create sculptures through various mediums such as clay, object from nature, paper mâché and cardstock paper
- Sketch still life objects and photographs (as reference) using pencil and develop the sketches with watercolour and ink
- Learn painting techniques with acrylic on various surfaces
- Explore negative space, texture, colour, balance, value, composition, perspective and form
- Create a collaborative piece to be exhibited on the last day

The 2019 Kids Summer Art Show will be held on the last day for the participants to invite their family and friends to enjoy the artwork they have created.

Please provide for your child:

- A lunch and refreshments each day
- Sunscreen, hat, and sweater for outdoor activities
- Clothing that is acceptable to be stained with paint or a smock
- For drop off and pick up, please assist your child directly to the classroom
- If someone other than yourself is picking up your child please advise the camp instructor or supervisor

Kawartha Art Gallery would like to thank you for your registration!

We also thank our sponsors!
